

cognac
noun / 'kɒn.jæk /

*High quality
brandy made in
western France,
named after the
town of Cognac.*

You may simply be interested in French culture, or whether you're a seasoned fan or just want to try something new, you are at a point in your life where you want to enjoy the finest beverage that the world has to offer. The Cognac Tasting Experience is an innovative way to discover more about the history of Cognac, its unique style, and the specific know-how of high-end iconic cognacs.

Unlike ordinary beverages and brandies, cognacs expose a new smoothness and fruitiness dimension in the world of quality and fineness. They will affect your sight, sense of touch, smell and taste in a totally new dimension.

Our testing experience service has enabled us to come up with perfect means of selecting the best quality products that will bring out the full luxury of every drop of cognac.

Cognac Tasting Experience event overview:

- Learning about the unique set of Cognacs that you will not likely find to your bottle shop.
- Identifying roots of Cognacs in taking it through craftsmanship as part of the tradition.
- Making a very great description in all sensations came out from tasting Cognacs.
- Discover cocktails created by the world's most famous mixologists who joined their force to create Cognac-based cocktails.
